Year	Degree	Institute	Percentage/CGPA
2023-27 Present	BTech in Computer Science and Engineering	GLA University, Mathura	CGPA = 7.47/10 8 expected
2023	Class XII CBSE	Maharaja Agrasen Public School, Khurja	83%
2021	Class X CBSE	Maharaja Agrasen Public School, Khurja	90.8%

Objective

Driven and detail-oriented software engineering enthusiast, ready to dive into the fast-paced world of software development. I am equipped with a strong foundation in coding and problem-solving. I am looking for a challenging role in which I can expand and apply the technical skills honed through my degree.

Academic and Extracurricular Activities

- Participated in Smart India Hackathon (2023) and ranked in top 80s.
- Attended a workshop in Linux | organized by GLAU Students.
- Participated in coding contests | Organized by Code buster Club GLAU
- Participated in Web Development Mini hackathon.
- Attended Annual Leadership Summit 2024.
- Attended Alumni Panel in Spectra 3.0.

Computer Skills

- **Programming Languages:** Java, C, Python, PHP, MySQL, JavaScript, Node Js, HTML, CSS, kotlin
- **Platforms:** Windows.

Minor Projects

- To-Do List App
- Portfolio website

Position Of Responsibility

- CODE BUSTER GLAU | DESIGN TEAM |
- Virtual Intern at Acmegrade in Web Development (14 may 2024 – 14 July 2024)
